A CD-ROM from the Voice of Business in Europe

UNICE'S CD-ROM ON THE TRANSPOSITION OF DIRECTIVE 94/45/EC ON EUROPEAN WORKS COUNCILS INTO NATIONAL LEGISLATION

This CD-ROM seeks to provide companies with a practical and innovative tool that will enable them to easily find responses to the questions posed by the establishment of a European body or a procedure for the information and consultation of employees.

UNICE asked experts from its member federations to explain the legislation transposing the 1994 directive and to summarise in clear language the most important provisions for employers.

The CD-ROM, completely bilingual (English and French), also describes the present status of the transposition in the EU member states and provides all available national legislative texts in both languages.
