

Comments on Green Package

Business Europe Seminar

Brussels, 29 February 2008

Dr Bill KYTE, OBE

Chairman of the Environment and Sustainable Development Committee

General Comments

- 1. The EU Green Package is a step in the right direction**
- 2. Harmonisation of EU ETS rules is welcome**
 - 1. Auctioning the norm – must be step-wise for all sectors**
 - 2. Auction rules and timing are critical**
 - 3. Auction quantum must be defined soon**
- 1. Common rules on CCS welcome**
- 2. But EU wide renewables trading is essential**
