

BUSINESSEUROPE

INTRA – CORPORATE TRANSFEREES

European Parliament, 20 April 2011

Sverker Rudeberg

THE CASE FOR AN ICT - DIRECTIVE

- ICTs is about mobility for **highly skilled who have an employment and keep it**
- More about **market-, system-, product-, client-**knowledge than education
- Transferring **knowledge** to **Multinational enterprises (MNEs)**
- MNEs and ICTs are **important for EU competitiveness!**

THE EU-CASE FOR AN ICT DIRECTIVE

Only the EU can:

- Make procedures harmonised and fast
- Provide intra – EU mobility and thereby
- Make Europe more attractive!

WHAT ABOUT THE ICT DIRECTIVE?

We welcome the Directive!

but....

- **specialist:** delete "uncommon"
- **length of employment:** shortened to six months
- three for trainees
- **more favourable provisions:** allowed to a greater extent
- **family members:** access to the labour market

**THANK YOU FOR YOUR
ATTENTION!**
