BUSINESSEUROPE fully supports the Juncker Commission in relaunch of the social dialogue

Europe is at a crossroads. The next five years will decide about our economic and political role in the world.

On the occasion of a high-level meeting of the European social partners with Commission Vice-President Valdis Dombrovskis and Commissioner Marianne Thyssen on the relaunch of the European social dialogue, BUSINESSSEUROPE Director General Markus J. Beyrer said: "We must work together to bring Europe back on track. What we need is not a nostalgic comparison with the 90s but a full focus on the major challenge we face today – REFORMING EUROPE to have more growth and more jobs. We need to transform the social dialogue to a reform partnership to bring Europe back on track."
